EDUCATION

Grambling State University, GPA: 3.92

Expected May 2027

*Bachelor of Science, **Computer Science**, minor in **Business Management***

Awards: Presidential Scholar, New Seasons Youth Program Scholar

Relevant Coursework: Discrete Structures, Foundations of Cybersecurity, Calculus I, Computer Architecture, CodePath Technical Interview Prep (Data Structures and Algorithm)

Organizations: Colorstack, National Society of Black Engineers, Association of Computing Machinery

SKILLS AND CERTIFICATIONS

Languages/Frameworks: Python, C++, HTML5, CSS, Javascript

Tools: Git, Visual Studio, PyCharm, Github, Jira, Netsuite, OAuth, MongoDB, PostMan

Frameworks: Node.js, Tailwind CSS, Express.js, React.js, Flask, Bootstrap, NumPy, Pandas

Certifications: IBM Getting Started with Threat Hunting and Security Intelligence (October 2023), IBM Artificial Intelligence Practitioner (December 2023)

EXPERIENCE

Platform Engineering Intern | *Netskope*

July 2024 – August 2024

- Created and handled **SSH certificates** requests, authenticating use and accessibility of Netskope software.
- Utilized google sheets for **management, analysis and interpretation** of worldwide Netskope data.
- Used **Jira** for project management, ensuring setup and maintenance of Netskope data centers across the **globe**.

Website Administrator | *The Redeemed Ambassadors Church of Nations*

March 2021 – November 2022

- Assigned user roles for contributors, enhancing website collaboration and boosting active contributors by **20%**.
- Communicated with developers to effectively resolve over **10 technical issues** and bugs affecting operation.
- Empowered 7 website contributors to effectively use the website's features through comprehensive training.

PROJECTS

Vista North America AI Hackathon Winner | Bonterra

Washington, DC

- Developed, alongside seasoned SWEs from Bonterra, FunderBolt, an AI-powered tool for grant application evaluation, which summarizes applications and provides comprehensive contextual analysis.
- Handled error/exception management, AWS Boto3 errors, and logging improvements for better debugging.
- Secured the **best overall** award, demonstrating exceptional innovation, teamwork, and technical skills.

Portfolio | [GitHub](#) | [Live Site](#)

HTML | CSS | Javascript | Git

- Built a user-friendly web application that displays all my information, including skills, education, and projects.
- Utilized complex HTML and CSS and Javascript techniques, ensuring simplicity, elegance and user experience.

AI Smart Summarizer | [GitHub](#)

Javascript | Python | HTML/CSS | Git

- Developed a Chrome extension that summarizes text from web pages using an AI-powered backend.
- Utilized JavaScript for the extension's frontend, Python (Flask) and the Transformers library for the backend.
- Implemented rate limiting and caching for efficient API usage, providing users with concise summaries.

LEADERSHIP & PROFESSIONAL DEVELOPMENT

“Navigating CS Internships” Workshop | Host and Pioneer

Grambling, LA | Aug. 2024

- Hosted a workshop for over **50** Computer Science students in my school, teaching them with experiential examples, on how to successfully navigate the tech landscape as an **underrepresented minority**.

Grambling State University | Student Mentor

Grambling, LA | June 2024 - Present

- Chosen via a selection process to mentor current students and guide incoming students with navigating college.

Andrew Young Emerging Leaders Institute | Scholar

Atlanta, GA | June 2024

- Selected as 1 of 35 HBCU students to learn about leadership and entrepreneurship in the black community.

Nvidia Summer Bridge Program | Participant

Remote | July - Aug. 2024

- Invited to explore NVIDIA's products, culture, and engineering roles while building skills, networking, and preparing for a successful internship.

Thurgood Marshall College Fund | MetaScholar

Remote | Mar. 2024 – May 2024

- Selected by TMCF to gain hands-on experience in web3, blockchain, and other immersive technologies.

HeadStart | Technology Fellow

Remote | Jan. 2024 - May 2024

- Selected as 1 of 73 for career development for diverse students with outstanding leadership & career capacities.
